SIGNATURES REQUIRED

This project or the applicant accepts full responsibility for compliance with all Denver zoning codes and all other city regulations as applicable. A zoning permit for use or construction will automatically expire 180 days from issue date unless a building permit is issued or the permitted use is legally established. Zoning inspections may be required before occupancy is permitted.

By my signature, I attest to the best of my knowledge and belief that the information stated in this application and in all supporting plans and documents is true and consistent with the standards and limitations of the City and County of Denver.

Signature (Owner or Authorized Agent):

Full Name (Print): **Virginia M Dudden**

Date: **10/22/2019**

Visit www.denvergov.org/ds for permit counter hours and information on special zoning processes.

The applicant is responsible for submitting accurate plans that document compliance with all zoning code regulations. Plans must meet the minimum requirements as outlined in the individual guides. The zoning reviewer may request additional information when it is necessary to evaluate an application for compliance with code regulations. It is recommended that plan submittals be completed by a qualified design professional. Visit www.denvergov.org/commercialzoning to view illustrations of sample plans.
